

SCORING PHASE QUICK REFERENCE GUIDE

Collect points equal to the **Base Point Value** of each Party Guest card in your Party Area.

Add 2 points to your score for each Party Guest card in your Party Area that matches the color of the active Party Theme card.

Add a point to your score for each Like on a Party Guest card in your Party Area that matches an attribute on the active Party Theme card.

Subtract a point from your score for each Dislike on a Party Guest card in your Party Area that matches an attribute on the active Party Theme card.

BONUS POINTS:

Add **5 points** for 1 Party Guest card of each color

Add **3 points** for 3 matching Party Guest cards

Add **5 points** for 4 matching Party Guest cards

Add **10 points** for 5 matching Party Guest cards
